How To Check AWC Enrollments for E-Testing

AWC student enrollment records are not accessible through CDSAR.

To check AWC enrollments you need to **set up an account** on the AWC Non-Resident Studies program web site.

To set up an account, access the web site:

https://awcap.maxwell.af.mil/SIS/app

On the left side of the main page you will see log in and password boxes.

The **account set up link** is *immediately below these boxes*.

Click on the **ESO option**.

Everything should be self-explanatory once you click the ESO option.

If there are problems getting an account or other aspects of using the site, the POC is
